

INSURANCE JURY DEMANDS 30 SECONDS

There is one argument that tort reformers just can't get around.

When that they claim that the jury system is out of control and the verdicts are outrageous, ask them why defense attorneys working for insurance companies demand a jury trial now.

If they were really out of control that's the last thing they'd want.

Use common sense when you hear propaganda like that and don't just buy into it because big business says its true.
